Dear John

FLYASH BRICKS PROJECT

Further to our telephone conversations, this is to confirm that Pozzolan Enterprise Pty Ltd would be interested in discussing the supply of Flyash for the above project should it proceed.

Pozzolan Enterprise Pty Ltd is a member of the QCL Group, a wholly owned subsidiary of the international "Holderbank" Group, the world's leading supplier of building materials. Pozzolan Enterprise is based in Queensland and has been supplying quality Flyash to the Australian cement and concrete industries for over 30 years

Good luck with your application for AGO funding and I look forward to hearing from you in the future.

Yours faithfully
